

Welcome Grade 10, 11 and 12 Students

Welcome high school students! Today is your day! You're off to great places, you're off and away! We are excited for the year ahead with our students and are anxiously awaiting your return on September 3.

High school teachers will provide course outlines in the first week of classes. These course outlines will specify materials required for each class. Almost all classes will utilize a chromebook. Students can bring their own devices if they have one available. Students who earned a free chromebook through the Digital Pioneers summer school course are welcome and encouraged to bring it daily. Below are some general materials you can have for the first week until you know the specific requirements for each class.

- Headphones/earbuds with a headphone jack which will plug into Chromebooks (no bluetooth headphones)
- 2" binder
- Loose Leaf paper
- Dividers
