PRINCIPAL'S MESSAGE

Welcome to 2025! I am excited to share our focus on Education Plan Goal 4: Cultural Awareness. This goal is essential in fostering an inclusive and respectful school environment where every student feels valued and understood. Here are some key initiatives we are implementing to achieve this goal:

- 1. Building Cultural Stories:** In our ELA High School classrooms, we are emphasizing the importance of storytelling. Students will have opportunities to discuss stories relevant to their cultures through activities like story vines and using culturally appropriate materials. Whenever possible, we will incorporate books and resources that connect to the diverse cultures represented in our school.
- 2. Guest Speakers and Cultural Representatives:** We are committed to bringing in guest speakers who represent various cultural groups within our school community. These speakers will share their experiences and knowledge on specific topics, enriching our students' understanding of different cultures.
- 3. Historical Awareness Days:** We will commemorate significant historical events with guest speakers for Black History Month, Holocaust Memorial Day, Remembrance Day, and more. Additionally, students will create "Historical Minutes" similar to Heritage Moments, focusing on different cultural groups each month.
- 4. Cultural Fair:** To celebrate our school's diversity, we are exploring hosting a cultural fair in the future where students and families can showcase their cultural heritage through food, music, dance, and other activities.

Additionally, we are thrilled to introduce a new initiative that celebrates the rich heritage of the German Mennonite culture: Faspa. This traditional afternoon gathering will take place at our school on January 30, February 28, March 14, and May 30 at 4:00 p.m. We warmly welcome families to join us for coffee and potluck treats, fostering a sense of community and togetherness.

Faspa is more than just a meal; it is a cherished tradition that brings people together to share stories, laughter, and delicious food. By incorporating Faspa into our school routine, we aim to honor and celebrate the German Mennonite culture that is an integral part of our community. This initiative provides an opportunity for students, parents, and staff to connect and learn from one another in a relaxed and welcoming environment.

In addition to Faspa, we are exploring other ways to infuse Mennonite culture into the daily life of our school. From incorporating traditional Mennonite recipes into our culinary classes to celebrating cultural holidays and events, we are committed to creating a school environment that respects and values the diverse backgrounds of all our students.

By embracing these initiatives, we aim to create a school environment that celebrates diversity and promotes cultural awareness. Thank you for your continued support in making NMS a vibrant and inclusive community.

What's New in Foods?

We have had an exciting month in Sr High Foods class. We have been lucky enough to have a couple of volunteers come into the kitchen and help us make some wonderful tasty creations.

Mr. Riley was looking for a way to get rid of some of the excess gelatin that was in the Foods room. Mrs Hildebrandt came to the rescue by teaching us how to make cream cookies.

Ayvah and Alyiah inspect the gelatin layer. They are doing some quick calculations and figure out that if we give every person in Alberta 3 of these cookies, we can use up two-thirds of the gelatin we have left in the pantry.

The final product - cream cookies with a layer of strawberry glaze and gelatin then dipped in chocolate.

Thank you Mrs. Hildebrandt.

At the beginning of December we were able to learn about chocolate making with the help of Coralea Pavoll. She taught us how to dip potato chips, pretzels and caramels. We also made hot chocolate bombs and chocolate bars.

ED PLAN MIDYEAR CHECK IN

DEVICE FREE SPACES

Even before the release of Ministerial order 014/2024 outlining the standards for the use of personal mobile devices and social media in schools, NMS staff recognized the impact phones were having on the quality of learning and relationships within the school environment. The implementation of consistent expectations on device use during instructional time has increased the opportunities students have to practice effective communication skills.

CONNECT WITH FAMILIES – FASPA

The faspa gathering was a success, bringing together school staff and families to enjoy delicious sweets, coffee, and meaningful conversations. These events will not only foster a sense of community but also celebrate the rich German Mennonite culture, which is a significant part of the school community.

ADULTING 101

Adulting 101 has been a tremendous success, equipping students with essential life skills needed for both the workplace and everyday. Students have gained confidence in managing finances, cooking, and other practical tasks, preparing them to navigate adulthood more effectively.

SKILLS CANADA

Participating in the Skills Canada exploration day allowed students to engage in an authentic project that built valuable skills. Students gained hands-on experience in various trades and technologies, enhancing their practical knowledge and employability. This initiative has greatly supported our goal of 21st-century learning, preparing students for successful careers and active participation in society.

KEEP READING!

NMS teachers are learning to use data from Acadience and Star Reading Tests. While substantial results are still forthcoming, teachers have gained the foundational knowledge needed to leverage these reports effectively. This solid groundwork will pave the way for future improvements in student achievement.

Book Look has become a must watch live stream for NMS and MOHC classes and students. With guest readers each week, students are engaging with new voices, faces, and books.

St. Paul Education Introduces SafeArrival

Launching Tuesday, September 3, 2024

SafeArrival is an absence reporting system. Beginning, Tuesday, September 3, families can report an absence in three different ways that is most convenient for you using SafeArrival. Visit stpaueducation.ab.ca/parents/safe-arrival for complete information.

SchoolMessenger App (Free)

Using your mobile device, download and install the “SM Home” app (NOT ‘SchoolMessenger’ app) from the Apple or Google Play Stores: home.schoolmessenger.ca/. Sign in to create an account using your email address we have on file at your child’s school. Select attendance. For more information on the SchoolMessenger app, visit stpaueducation.ab.ca/parents/safe-arrival.

Online

Go to home.schoolmessenger.ca. Sign in or create an account using your email address that we have on file at your child’s school and report your absence. Contact your school if you need to update your email address.

By Phone

Call the toll-free number 1-844-502-5088 to report an absence using the automated phone system and follow the prompts.

If your student is marked absent and the absence hasn’t been explained in advance, our new SafeArrival system will be able to rapidly contact you by automated phone call, text message, email, or mobile app push notification to ensure your child’s safety.

Visit stpaueducation.ab.ca/parents/safe-arrival or scan the QR code.

SchoolMessenger Mass Notifications System

Information for Parents

What is SchoolMessenger?

SchoolMessenger is a mass notification system used to deliver information to families. These mass notifications are referred to as 'Broadcasts' due to SchoolMessenger's capability to simultaneously send messages to a vast number of destinations. Available broadcast destinations include phone, email, and SMS text.

Message recipients' contact data for parents comes from the PowerSchool Student Information System (SIS) database. This data is updated every evening so that any changes to phone numbers, emails and contact preferences will be current on every broadcast.

During phase one of implementation, the Division will begin using SchoolMessenger to communicate information to parents and guardians about safety alerts and school closures. Schools may also use this tool to share newsletters and information about special events and activities. Phase two, which includes activating the attendance reporting feature 'Safe Arrival', is expected to begin in early 2024.

Phone Messages

- Phone calls will be reserved for emergencies such as safety alerts or early dismissal due to inclement weather.
- Phone calls will be sent as an automated message (computerized or human voice) and will come from the school phone number.
- In addition to a phone call, text and email messages will also be sent in emergency situations.

Email Messages

- School newsletters and information about fundraising, hot lunch programs and other school activities will be shared via email.

Additional Information

- Existing school-to-home communication tools currently used by classroom teachers (e.g. Seesaw, ClassDojo) may still be utilized.
- Schools will have flexibility in how they use SchoolMessenger. Stay tuned to your schools website and social media to learn more about how this new tool will be used at your child's school.
- All messages can also be viewed on the SchoolMessenger app. Parents are not required to download the app at this time, however, the Division will be asking all families to download the app when we move forward with the SchoolMessenger attendance reporting feature 'Safe Arrival'.
- Parents have the option to request that additional contacts, such as a child care provider, receive text and email messages from their child's school. Please call the school to make this request or if you have any questions about SchoolMessenger.

Text Messages

- In addition to being used for emergencies, your school may also use text messages to communicate important information regarding sports and other after-school activities, field trip delays, etc.
- Under federal law originally designed to protect consumers from telemarketers, we have to get your permission to send messages to a mobile phone by SMS text. It is also just a good idea so that we're sure that message is going to the right phone number for the right person. Therefore, to receive texts you will need to opt-in.
- On **October 18, 2023** an opt-in invitation text to participate in this free service* will be sent to mobile phone numbers of all primary contacts uploaded from our Student Information System (SIS). Recipients have to reply 'Y' or 'Yes' to the invitation text message to 'opt-in'.

- If you did not receive the invitation text message or want to ensure you are registered, you can simply send a text message as follows:

To Opt-In: Text 'Y' or 'Yes' to our short code number (978338)

**Standard Message and Data rates apply*

- You can also opt out of these messages any time by simply replying to one of our messages with '**Stop**'.

EXTREME WEATHER

Is my child's bus running? Coming home early?

Throughout the winter, weather and road conditions are constantly monitored with the safety of students and staff at the center of all of our decisions. We strive to inform parents of any delays or cancellations as quickly as possible. Here's how you may be notified:

- Bus driver contact
- Call/text from your school
- Local radio stations
- Bus Status app
- Division social media (Facebook and Instagram)
- Division website
<https://www.stpauleducation.ab.ca/transportation/bus-status>

How we decide:

When temperatures and/or wind chill is -40 or colder, buses are CANCELLED. Notice may be given the night before or in the morning.

-40°C

Buses may run in the afternoon during extreme cold weather under certain circumstances.

Weather checks start very early with The Weather Network and phone calls to designated staff living in each local area.

Even if buses are cancelled schools remain **OPEN**.

- If your child attends: meaningful learning still occurs
- If your child is absent: efforts will be made to ensure they do not fall behind

Decision is based on:

- Local road conditions
- RCMP travel advisories
- Weather and wind warnings
- Local municipality

Your bus driver also has complete discretion to cancel a route should they feel travel is unsafe.

If a decision is required around temperature and/or road conditions, the Director of Transportation consults with:

- Local bus drivers
- School principals
- Superintendent of Schools

Parents always have the final say about their child's safety and well-being and can always choose whether or not to have their child take the bus.

The Nations of Saddle Lake, Whitefish Lake and Frog Lake make independent decisions about their buses. Please contact them directly for any questions regarding their transportation policies.
